Verify our No Deforestation Commitment

During 2023, our company monitored 61% of the volume sourced in 2022 and achieve a **61% Verified Deforestation Free score** of the total volume sourced by LIPSA.

We are working with our suppliers on the most significant deforestation events captured by Starling for each quarte to increase the deforestation-free percentage.

The goal for 2024: To achieve 100% TTP and 100% verified deforestation-free according to the EUDR cut-off date.
